Classes

- 1. New Fire Chief “Challenging Issues” – NFA (Saturday & Sunday)**
This course is designed to develop the managerial, administrative and leadership skills necessary for a first time fire chief, or chief officer, who desires a leadership position in their department. This course addresses critical knowledge and skills pertaining to the responsibilities of a Fire Chief including such topics as local politics and the role of the chief officer, liability and risk management, resources and items of knowledge needed to become a first time leader in a new position in their agency.
- 2. Fire Investigation for the First Responder – NFA(Saturday & Sunday)**
*This is the National Fire Academy’s basic level fire investigation course. The classroom delivery will cover many phases of initial fire scene investigation with emphasis on the firefighter’s responsibility in arson detection. This course satisfies the requirement for FRS 2074 in the KCTCS AAS Fire/Rescue Technology Degree Program. Students should be prepared to take an exam at the conclusion of the course. This class is a prerequisite to “Arson II” which is offered in June at State Fire School. **Must have permission letter from Chief of Department sent in with Registration.***
- 3. Pumper Operations (Saturday & Sunday)**
This course will cover various aspects of the operations of fire pumps, utilizing both classroom and hands-on learning. Many different facets will be covered for both urban and rural pumping operations.
- 4. Rope Rescue (Saturday & Sunday)**
*This class will cover several different aspects of rope rescue. Both High-Angle and Low-Angle scenarios will be covered. **Leather lace-up boots, fire or rescue helmet with chin strap, leather snug-fitting gloves are required.***
- 5. Vehicle Extrication (Saturday & Sunday)**
*This class will be a fast paced hands-on course that will cover several different real life extrication and stabilization scenarios. **Turnout gear/extrication suit, fire helmet/hardhat, eye protection, gloves and steel toed boots required.***
- 6. EMT Refresher (Friday evening, Saturday & Sunday)**
This class will cover 20 of the required hours for EMT recertification, and will be taught by Somerset-Pulaski County EMS.

7. Firefighter Survival (Saturday)

This class will show different techniques a firefighter can use when the primary escape route has become blocked or if caught in a rapidly deteriorating situation.

Full PPE and SCBA required.

8. Firefighter Rescue (Sunday)

This class will show different ways to remove a trapped or unconscious firefighter who has become a victim themselves.

Full PPE and SCBA required.

9. Hard-to-Get Hours I (Saturday)

This class will cover hours that are hard to find, including Emergency & Disaster Planning-2hrs; Fire Protection Systems-3hrs; Fire Behavior(with Max Fire Box)-3hrs
